About your driver qualification documents

Motor carrier (company) name: _____

I agree that the motor carrier named above, and its document service DriverFiles (DRIVER FILES CO LLC), may send text messages to the mobile number I give below. The messages ask me to upload a photo of my medical examiner's certificate (medical card) and my driver's license, remind me when one of those documents is about to expire, and tell me when a photo I sent is on file or needs to be taken again.

Message frequency varies: up to 6 messages per document renewal, up to 3 reminders while my first photos are outstanding, and one message when a person checks a photo I sent; usually a few a year. Message and data rates may apply.

I can reply STOP to any message to stop all text messages from DriverFiles, and HELP for help. Replying STOP stops texts for every carrier I drive for.

These texts are part of how the carrier keeps my driver file up to date. I can opt out at any time by replying STOP.
